Humour from the pews

A minister told her congregation, "Next week I plan to preach about the sin of lying. To help you understand my sermon, I want you all to read Mark 17." The following Sunday, as she prepared to deliver her sermon, the minister asked for a show of hands. She wanted to know how many had read Mark 17. Every hand went up. The minister smiled and said, "Mark has only sixteen chapters. I will now proceed with my sermon on the ills of lying."
