Laughter Ministry

A minister is walking down the street one day when she notices a small boy trying to use the doorbell on a house across the street. However, the boy is very small and the doorbell is too high for him to reach.

After watching the boy's efforts for some time the minister walks across the street up to the little fellow and rings the doorbell.

Kneeling down next to the child, the minister smiles and asks, "And now what, my little man?" To which the boy replies, "Run!"
