The Film, ***On the Side of the Road***, by Lia Tarachansky will be shown at GPUC on March 12 at 7 p.m.

Lia is a former West Bank settler, who looks at Israel's collective amnesia of the fateful events of 1948 when the state of Israel was born and most of the Palestinians became refugees. She follows the transformation of Israeli veterans trying to uncover their denial of the war that changed the region forever. Tarachansky then turns the camera on herself and travels back to her settlement where that historical erasure gave birth to a new generation, blind and isolated from its surroundings. Attempting to shed a light on the country's biggest taboo.

Born in the USSR, Lia is an Israeli-Russian journalist and filmmaker living in Canada. She was the correspondent for the Real News network in Israel/Palestine, and her work appears on Al Jazeera, USA Today, and 972 magazines
